Dear Madam or Sir,

It is with great enthusiasm that I write a letter of recommendation for Matthew Malekhedayat.

Matthew applied for an open position with the company that I was running in June of 2014. Of the many applicants I reviewed for this position, Matthew seemed the clear choice, I was not disappointed. Immediately, Matthew started to impress me with his ability to understand instructions, perform at an above average standard, and his superior interpersonal skills. He can easily assess situations, and he approaches new tasks with both curiosity and an eagerness to accomplish, regardless of difficulty. Matthew works equally well independently or in a group. He also displays good leadership skills when involved in group projects.

If given the opportunity, I would not hesitate to hire Matthew for any position I have available where autonomous and intelligent actions would be necessary.

Without reservation, I can highly recommend Matthew for a position in your company. Please feel free to contact me should you need any further information.

Sincerely,

Anthony Faught
